

Since its inception, Riley's Dance has touched over 400 families through crisis funding, holiday gifts, gift cards and more. In 2019 alone, the following was made possible...

**5** patients were able to pay for their medical equipment and medication

**6** patients were able to keep their insurance coverage

**100** holiday gifts were given to pediatric transplant patients

**15** patients were provided transportation to critical doctor appointments. With your support, this program has already spread to all New Jersey transplant centers

Uber Health

**15** families were provided assistance with home living costs, including rent and mortgage payments, utilities bills and stays at Gift of Life Family House

## Transplant Games of America

#HonorTheJourney • July 17–22, 2020

Riley's Dance will play a critical role in honoring pediatric transplant recipients and donor families during this 6-day festival celebrating the success of transplantation and honoring donors for the gift of life they've given. We're counting on you to join us in what promises to be an incredible event.

*"One of our recipients received a \$1000 grant, which was able to cover his co-pay for a required heart transplant biopsy, that he otherwise could not afford to get. The remaining funds went to a portion of his rent as well. He is extremely grateful for this assistance, which drastically reduced a lot of stress and anxiety for him and his family. Thank you Riley's Dance!"*
